How The Process Works

1

Affordable Access

\$10,955 covers installation, training, and freight. No leases or credit checks required.

2

Start Strong. Start Fast.

We install the chair and train your team in one visit.

3

Smart Investment, Speedy Return

The monthly rental payment is \$1,000. With just one patient each month, the chair pays for itself—and keeps generating revenue.

4

Try With Confidence

This is a month-to-month rental that includes our exclusive 30-day risk-free guarantee and a 5-business-day uptime guarantee.

5

Deliver Care that Lasts

Offer life-changing results with a model that supports your patients and your practice long term.

Clinically Proven to Help:

Reduce Urinary Incontinence

Support Sexual Function

Improve Bowel Control

Enhance Core Strength & Daily Stability

VS.

Each **30-minute session** delivers the equivalent of **15,000 Kegel exercises**, helping to **rebuild muscle strength and neuromuscular control** without physical effort, pain, or recovery time.

What Sets Trinity Medical Solutions Apart

We cut the complexity out of capital equipment, turning proven therapy into an everyday service.

- + Accessible: No lease, no debt, no credit checks
- + Easy to get started: We handle setup and training in one visit
- + Profitable right away: Revenue-positive with only 1 patient/month
- + Sustainable: Simple operation with minimum staff involvement
- + Patient-friendly: Comfortable, discreet, effective care
